Understanding of Commitment – Please read before signing.

I understand that ordination into Light brings with it active energies which are to be used in specific areas of Light Ministry, and I understand that this Light energy that comes forward is to be used in a continuing, ongoing expression of ministry, so that the energy is in a constant state of flow.

I understand and have considered the implications of this application; that my ordination implies a great trust between myself and the Mystical Traveler Consciousness. I accept the responsibility that while I represent this Consciousness in the Movement of Spiritual Inner Awareness, my words and actions are to be of such a nature as to reflect the Light for the Highest Good for myself and for all to whom I minister, regardless of race, creed, color, situation, circumstance or environment.

I further understand that the Ministerial Board reserves the right to withdraw my ministerial credential at any time if it deems that my activities misrepresent the spirit and/or the teachings of the Movement of Spiritual Inner Awareness; and that if my ministerial credential is withdrawn by the Ministerial Board, all legal and spiritual rights which flow from being ordained as a minister in this Church are discontinued, and I must surrender my Ministerial credential and card(s).
