---

“When you correctly identify your errors and take positive action to change them into expressions of learning, you are breaking patterns of fear and tension and are freeing yourself to participate in Soul Transcendence.” - John-Roger, DSS

---

Discourse Subscriber Classes give you an opportunity to dive deeper into your exploration of and understanding of the keys to Soul Transcendence. They focus on topics such as Travelers through the ages, manifesting the Christ consciousness, spiritual exercises, and working with the Traveler in your dreams.

They are open to MSIA Discourse or Soul Awareness Teachings (if you've completed Discourses) subscribers only and are offered in one day, 5-week, or 10-week options.

## Travelers Through the Ages
